Health Insurance Costs and Your Small Business

WEDNESDAY, MARCH 10

Dario A. Campolattaro, Summit Insurance Services, LLC

There is no shortage of challenges for business owners when it comes to health insurance: skyrocketing premiums, decisions about plans, how much to contribute, or who can have it. While there are innovative ways to reduce costs— like HRAs and HSAs—we’re also facing a series of unknown challenges coming down the pike with Healthcare Reform. Dario’s presentation will address these items and share some insight, ideas and solutions.
